Event Name: L'Entourage

"L'Entourage" is a traveling monthly social gathering held the last Friday of each month.

This summer of 2006 we are kicking off the beginning of a fabulous new concept named "L'Entourage". This will be a traveling event, which will rotate from one fabulous Charlotte nightlife haunt to the next, highlighting the best Charlotte's social scene has to offer, and also creating a sexy and high fashion appeal by introducing a new nightlife option. This event will be held the last Friday of each month and will feature some of the sexiest music, saaviest people, and of course, fabulous fashion. This will not be a fashion show, just more of a social gathering of all the beautiful Lotus customers/clients and all the many friends of Lotus.

Our first event is planned on June 23rd @ Gilda Bar & Lounge featuring the music of James Fedele (Traffic) and Alex Barnette (Sacrosanct). Alex is out resident DJ and will be traveling with our event from location to location. The sound will be a mixture of European/Parisian house music and World house music, bringing a new and eclectic flavor to the Charlotte music scene. We'll also be featuring our "Lotus Blossom martini".
